Old Business

- The Chattanooga Coin Club Dinner was held at Laurel Point on top of Raccoon Mountain at 5:00 PM at a Great location among the trees that made it a cool location that had walking trails available, plenty of parking, and awesome views arriving at the destination.
- The dinner was enjoyed by 17 club members that were able to make it that did not have other obligations that conflicted with this date.
- The food was great catered by HillBilly Willys Bar-B-Que of Pulled Pork and Bar-B-Qued chicken with Baked Beans, Slaw, and awesome Potato salad that melted in your mouth with Tea to drink. For those that didn't want Tea, Jim F furnished Soft Drinks.
- Fabulous deserts were prepared and furnished by Theresa S for everyone to enjoy if there were any appetite's left and watermelon was furnished by Jim F
- Dennis brought the members present up to date that after today's drawing the club would have 23 of the Silver 50 TH Chattanooga Coin Club Anniversary Medals left.
-

New Business

- Those present at the dinner this year agreed that the dinner was far superior to what we had last year at Shogun and we hated that those with prior commitments and unable to attend missed a great dinner. Other than a few minor brushes with honey bees, everything was fabulous.
